

HCS HB 349 -- PROPERTY-CARRYING COMMERCIAL MOTOR VEHICLE LICENSE
PLATES

Currently, a property-carrying commercial motor vehicle registered at a gross weight in excess of 12,000 pounds is only issued one license plate. This bill allows an applicant for registration of this type of vehicle to request and be issued two plates. If two plates are issued, the Director of the Department of Revenue must place distinguishing marks on the plates indicating one is for the front and one is for the rear of the vehicle. The department director may assess and collect an additional charge not to exceed \$15 for the second plate.
